

This is more than a 5k!

The Stars and Stripes Forever 5k gives high school students in the Putnam City School District the chance to participate in Silver Strings, an extra-curricular orchestra that performs all over the state of Oklahoma and beyond. In this orchestra, students learn the value of work by attending weekly after school rehearsals, and get to play music from artists not played in the classroom such as Led Zeppelin, The Beatles, Motown, Bruno Mars, Charlie Daniels, and many more! Your sponsorship not only provides an awesome race on our country's birthday, it helps your local high school music program create art, which in turn is given back to the community!

The Stars and Stripes Forever 5K is designed to reach a wide demographic of both runners and spectators looking for a great time on the 4th of July!

Facts:

- The SSF5k has been in existence for 9 years and has involved over 4000+ runners in that time
- 100% of proceeds support the Silver Strings of Putnam City Orchestra.
- The race gives out over 50 awards to age group winners each year
- Each year, the race has grown, and expands to fit even more runners!
- Runners from age 5 to 87 have participated

The Silver String of Putnam City is a 501©(3) tax exempt organization, and all contributions tax deductible!

The Stars and Stripes Forever 5K has many levels of sponsorship options for your business and is a great place to promote your products, services, and brand to an audience that likes supporting local businesses!
